## Attitude

*“Therefore, I urge you brothers and sisters, in view of God’s mercy, to offer  
your bodies as a living sacrifice, holy and pleasing God – this is your true...”*

Romans 12:1-21

“The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts.

It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break a company... a church... a home... a relationship.

The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change the past... We cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have been given and that is our attitude...

I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you... we are in charge of our attitudes.”

Paul and Chuck capture the essence of what it means for Christians to live abundantly (The Apostle Paul’s letter to the Romans, 12:1-21 and Pastor Charles Swindoll’s perspective on Attitude). These are extraordinary times for Believers to live, really live! Which begs the question, “*Is your attitude a reflection of the culture? Or does your attitude reflect Christ?*” Westside is blessed and God is glorified by your faithful reflection of Christ’s presence. Look inside to see the terrific opportunities for you and your family to grow in Christ this Fall.
